## Self-Storage Guide

[www.centralstorageworks.com](http://www.centralstorageworks.com) • 877-770-5206

## Central Storage Works for you

As a division of Central States Manufacturing, Central Storage Works brings you a new level of quality, service and convenience that beats the rest. Our Quick Quote-to-Complete self-storage packages come with everything you'll need to erect a mini storage, boat, RV or climate controlled storage. And because we handle everything including the design, manufacture and delivery of these complete self-storage building packages, you can expect a quality product delivered to you on time at a great value.

**Construction so simple a small crew equipped with step ladders, screw guns and hand tools can erect the entire building.**
