For just a slight premium, isn't your building worth it?

Kynar 500® is a registered trademark of Arkema.

DO THE MATH.

Why you want to use Kynar 500® on your next metal project:

of squares _____

Multiply by extra cost for Kynar per square \$_____.

Total additional cost for Kynar \$_____.

Divide by years of exposure _____

Additional expense per year \$_____.

Won't you wish you had spent \$_____ extra per year to avoid this?
