

DO NOT USE THIS DIGITAL COLOR CHART FOR COLOR MATCHING.

This digital color chart is intended to be viewed on computer monitors to show a wide range of colors available. Colors will vary depending on your computer monitor and monitor settings. Please ask for a physical color chart to view colors, and a metal sample for color matching purposes.

Check our website to verify which colors meet ENERGY STAR® requirements for steep slope roofs.

5V™

†Weathering and appearance variation, including color, sheen, and spangle, is common in non-painted materials and is not a cause for rejection. For consistent appearance, choose a paint-finished product.

Colors on this chart are close representations of actual metal color, limited by printing and viewing conditions. Color matching is optimized for outdoor viewing.
