

DO NOT USE THIS DIGITAL COLOR CHART FOR COLOR MATCHING.
 This digital color chart is intended to be viewed on computer monitors to show a wide range of colors available. Colors will vary depending on your computer monitor and monitor settings. Please ask for a physical color chart to view colors, and a metal sample for color matching purposes.

*Contact your sales person for accurate pricing. † Color variation between orders is normal and not cause for rejection.
 ‡ Weathering and appearance variation, including color, sheen, and spangle, is common in non-painted materials and is not a cause for rejection. For consistent appearance, choose a paint-finished product.

Colors on this chart are close representations of actual metal color, limited by printing and viewing conditions. Color matching is optimized for outdoor viewing.

Panel-Loc Plus™ features UL2218 approval for impact resistance and may qualify for a home owner's insurance discount. See your local insurance agent for qualifications.

CentralGuard® provides superior fade resistance.

CentralGuard is an advanced system engineered by Central States, to protect our metal against fade, dent, and rust. It combines the durability of ceramic and select inorganic pigments with the strength of a proprietary silicone polyester resin to deliver a durable finish, no matter the weather.

- Ceramic pigments are practically unaffected by acid rain and pollution.
- They resist color fade even in the most hostile environments.
- Silicone polyester resin resists dirt, staining and abrasion.
- Excellent fade and chalk resistance.

	Brand New Roof Just installed. Perfect color match.	After 7 Years No noticeable color change. Still looks new.	After 15 Years Still no apparent color change. Curb appeal is still strong	After 22 Years Minimal color change. Your home still looks great.	After 30 Years Still barely noticeable. Roof will look great for years to come.
CentralGuard®				FADE	FADE
Other Paint Systems		FADE	FADE	FADE	FADE
	Brand New Roof Just installed. Perfect color match.	After 7 Years A slight discoloration is beginning to be noticeable.	After 15 Years Significant fade, noticeable in shaded areas. Energy savings is decreased.	After 22 Years Very noticeable color change. Roof looks faded and old.	After 30 Years Overdue to replace. This time call Central States.
