\*Contact your sales person for accurate pricing. † Color variation between orders is normal and not cause for rejection.  
 ‡ Weathering and appearance variation, including color, sheen, and spangle, is common in non-painted materials and is not a cause for rejection. For consistent appearance, choose a paint-finished product.

Colors on this chart are close representations of actual metal color, limited by printing and viewing conditions. Color matching is optimized for outdoor viewing.

## CentralGuard® provides superior fade resistance.

CentralGuard is an advanced system engineered by Central States, to protect our metal against fade, dent, and rust. It combines the durability of ceramic and select inorganic pigments with the strength of a proprietary silicone polyester resin to deliver a durable finish, no matter the weather.

- Ceramic pigments are practically unaffected by acid rain and pollution.
- They resist color fade even in the most hostile environments.
- Silicone polyester resin resists dirt, staining and abrasion.
- Excellent fade and chalk resistance.
