Check our website to verify which colors meet ENERGY STAR® requirements for steep slope roofs.

Contact your sales person for accurate pricing.

Colors on this chart are close representations of actual metal color, limited by printing and viewing conditions. Color matching is optimized for outdoor viewing.

Upgrade to Texture for a new depth of color and added durability.

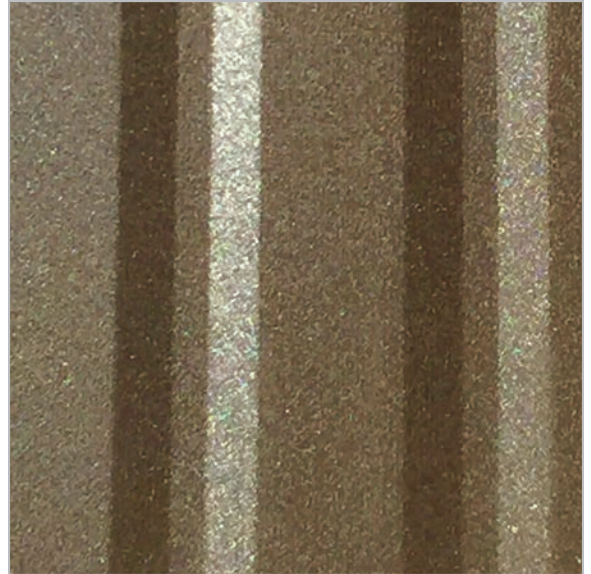

The granular finish of SMP with Texture combines a matte appearance with shimmering tones to provide a depth of color never before seen on traditional metal panels. Choose Texture for a look similar to traditional shingles with the benefits of a metal roof.

Plus, our Texture finish features Central Guard®, our specific combination of everything that goes into making the highest-quality metal panels. It is a guarantee that you have the best protection and a lifetime paint warranty.

With Central Guard protection and SMP with Texture, you get a stunning metal roof to enjoy for a lifetime.

- Available in Panel-Loc Plus Prime 29 ga. and Horizon-Loc Prime 26 ga.
- Trim available only in 26 ga.
- Mimics the texture of shingles.
- Reduces glossiness and glare often associated with metal roofing.
- More scratch resistant.
- More slip resistant during installation.

Choose Texture for a look similar to traditional shingles with the benefits of a metal roof.
